

Storage Only

H2o Sports supplies lockable security doors to the shed but does not supply locks for leased spaces for private craft. H2o Sports hold no responsibility for any loss or damage both to private equipment or craft at anytime.

Personal Liability to Club Members

Members are fully responsible for their own actions and club property. Any club property damaged by a club member will be repaired or replacement at their cost.

All craft must be clean before placing them into the shed (no sand at all). Any boats dropping sand etc below onto the floor or other craft will be warned then billed to clean up after them.

All craft with under slung rudders must have a protector on them (two old socks doubled up is a simple method) this is to stop the damage to the decks of your craft while you slide it in and out.

Security

You must lock the shed doors when you go for a paddle or leave the shed at anytime, it must not be left open at anytime.

Other people approaching the shed as you leave or you are locking it up wanting it left open as they are using boats, it is up to you to lock it or verify they are members and have a key.

Weather:

We strongly advise you check the weather before you venture out on the harbour.

Remember weather can change in minutes, we have a weather channel link on our web

site for you to use for your safety.

The marine weather channels are the most up to date and accurate.

Paddling at night; 360-degree viewable front and rear white lights must be displayed half

hour before sunrise and after an hour before sunset
Club members are advised not to paddle in winds over 20-km

On your Approval of membership you will be issued with a key.
This allows access to the club boat shed from 5.30am till dark.
There is no access outside these times without prior notification in writing and given consent in writing.

Rights of admission are for members only.

A member may not give access to a non-member to the club shed at anytime.

Any non-members accessing the shed with a members key will lead to the members involved membership being terminated.

Any person seeing to be with or associated with a member using or borrowing a club craft with out permission may be deemed to be guilty by association.

H2o Sports reserves the rights to refuse entry to any person including members, and have the right to cancel membership without warning or notice for inappropriate behavior that may be deemed threatening or harassing, and includes damaging equipment in the club and perceived risks or breaching any of the club terms and conditions.

Complaints and feed back: H2o Sports sees both complaints and feedback as a gift. We will endeavor at all times to assist you with your concerns that you may have. It is up to the individual leasing the space to ensure their space or craft is locked and all personal equipment is secure.
